The steeplechase course has been fixed up and put in readiness for the race to-morrow. Little red and white flags mark out the course.

The programme to-day was a poor one. The neids were light and the races looked foregone conclusions for certain horses, therefore it was

uninteresting.
The first race brought a fair tot together, with Long Dance a top-heavy favorite. Next in favor was kingmaker, while Edgar Johnsson, who ran a good race yesterday, was itterly neglected. May Win was well played and won easily from the lavorite, who beat Kingmaker handliy.
The second race found Neillie Biy and Reckon equal choices at the opening. Neille Biy's price gradually receded until it was 3 to 1, while Reckon stayed stationary at 7 to 6. Third choice was Kildeer. A tremendous tip was out on Flavilla and she was plunged upon.

Starter Caldwell Upheld in His Trouble with Bergen.

SOME TOO HASTY CRITICS.

Changes in Saturday's Card for Morris Park Races,

The Board of Control yesterday sustained Starter Caldwell in his action of setting Jockey Martin Bergen down on July 16. The neeting was a secret one, and no informaion was vouchsafed by any of the members. The Board of Control seems to be regulated by the same kind of laws which are attempted in the case of electrocution. It was learned, however, that both Mr. David Gideon and Marty Bergen declared that the latter was being persecuted by Starter Caldwell. Bergen said he had been left by the starter so many times that he had lost all faith in him. Mr. Gideon said that it was conversations he had had with Mr. Caldwell that led him to believe that Bergen was being badly treated. Mr. Caldwell denied all this and declared that Bergen was the most disobedient jockey that ever rode in a race. Oldeon and Caldwell had a heated argument Chicago Reports Hall Winning in blows.
